

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together which explains how all will work together to make sure all of our students master grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home

Jointly Developed

This School-Parent Compact for Achievement was jointly developed by the parents, students and staff of Roan School. Teachers suggested ways for parents to help students at home and parents added ideas that gave us ideas about their needs in this process. Students helped us with suggestions about ways in which they learn best. Meetings are held each year to review the compact and to make changes based on what our students need.

We welcome comments from parents, students and staff at any time!

If you would like to volunteer, participate and/ or observe in the classroom, please contact us at (706) 876-4350 or email charlie.tripp@dalton.k12.ga.us

Educating students to become contributing citizens of the world

In the Classroom

Roan School staff work with students and families to support student academic achievement in all content areas. Some of the ways we do this include:

- 100% of participation during Fall Parent Conferences
- Parent Teacher Conferences will be more indepth and specific to grade levels
- Writing Celebrations
- Volunteer in the classroom

At Home

During parent- teacher conferences, Roan parents learn about their child's accomplishments and receive materials to ensure success in their learning throughout the year. Ways to help support your child are:

- Attend Parent Teacher conferences
- Check homework and planners
- Check folders daily
- Attend Content Family Nights
- Listen to your child read every night
- Stay connected via Facebook, text, Roan websire, and DPS app

Students

Roan Student Ambassadors share ideas about how our school should look, sound and feel for students to be successful. The Roan Ambassadors have the following suggestions to help students connect learning from school to home:

- Talk to your family about your individual learning
- Encourage families to attend Family Nights and school activities like the Picnic in the Park
- Have open communication with parents via texting, emails, notes and phone calls
