

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together which explains how all will work together to make sure all of our students master grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home

Jointly Developed

This School-Parent Compact for Achievement was jointly developed by the parents, students and staff of Roan School. Teachers suggested ways for parents to help students at home and parents added ideas that gave us ideas about their needs in this process. Students helped us with suggestions about ways in which they learn best. Meetings are held each year to review the compact and to make changes based on what our students need.

We welcome comments from parents, students and staff at any time!

If you would like to volunteer, participate and/or observe in the classroom, please contact us at (706) 876-4350 or email charlie.tripp@dalton.k12.ga.us
